

Melanin gives a metaphorical sneak peek into the evolution of 1\$Place®. As demonstrated in The Bartenders' original and classic hip hop beat and the strong delivery of poetic melodies, genuine content and a versatile flow, 1\$Place® pays homage to those who influenced his love for music, freedom, and entrepreneurship. 1\$Place® presents a smooth style accompanied by sharp lyrics in order to motivate listeners to pursue their dreams and to love the skin they're in, especially if it's covered in Melanin.
